

Woodcreek High School Winter Guard & Percussion Festival

* Performers will enter through the south side gym entrance and may use the second door farthest down the hallway. Groups may enter the floor starting Side 1 Moving towards Side 2 (West to East) or from performer seating towards the judges (North to South).

** Performers will need to exit into the small gym and continue out the small gym door. Groups that have a floor may utilize the small gym to fold their floor, but must be done in time for the next exiting group to enter the small gym.
