

WHS Bands-Guard-Percussion Scrip Program Details/Instructions

What is it?

Ongoing fundraiser – purchase gift cards at places where you normally shop and for gifts and a percentage goes back to the general bands-guard-percussion fund. Percentages vary by vendor.

Types of Scrip

Physical cards – all vendors offer physical cards

ScripNow - ScripNow is an electronic version of physical cards – not all vendors offer ScripNow

Reloadable cards – Reloadable cards must be first purchased in physical card form from our shopwithscrip program before they can be reloaded – not all vendors offer Reloadable cards

When can I order?

The first Thursday of every month, forms and checks/cash are due to Mr. North or can be placed in the Booster's lock box in the band room. Scrip is then purchased and distributed a week later.

Note: You can place order forms and checks in the Booster's lock box at any time during the month but the orders will not be processed until the first Friday of every month.

Are there online options?

Yes!

You may create your order online for physical, ScripNow, and Reloadable cards (must set up a Family Account – instruction link below) and pay by check (placed in Booster's lock box in band room) or by Presto Pay (instruction link below) at any time during the month but the physical card orders will not be processed until the first Friday of every month. ScripNow or Reloadable only orders will be processed immediately if you have set up your Family account and set up and chosen to pay with Presto Pay. After you place these orders, you will receive an email from shopwithscrip that gives you instructions on how to download your ScripNow or reload your existing card.

Note about Presto Pay: They ask for your bank account information and draft directly from your account. They do not accept debit or credit cards. There is a \$0.15 transaction fee to use this method of payment (this is per order, not per physical card, ScripNow or Reloadable card).
